
Prestige Line

Cabernet Sauvignon

DOLOMITI IGT

An international wine grape used for the most prestigious reds, it is grown by Mezzacorona in the milder areas of Lake Garda where it ripens to the full resulting in an elegant and fragrant wine.

Production area

We grow this variety in the areas of Arco, North of Lake Garda.

Grapes Cabernet Sauvignon

Characteristics

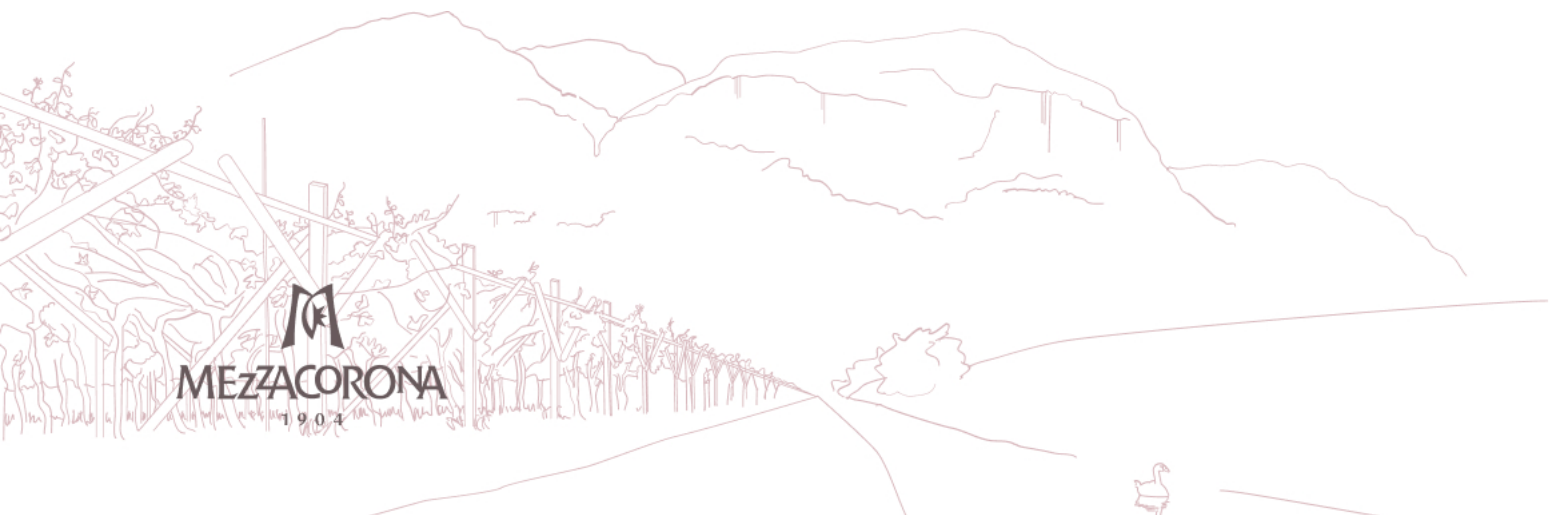

A ruby red wine with an intense bouquet, it distinguishes itself in its pleasant structure and elegant tannins.
