Fildirose

VIGNETI DELLE DOLOMITI IGT

Elegant and delicate, Fildirose is like a walk through alpine countryside.

Production area

This wine comes from a selection of Pinot Grigio vineyards located at the foot of the Dolomites, where the soils rich in minerals favor excellent aromatic ripening of the grapes and the preservation of the correct level of acidity and freshness.

Grapes Pinot Grigio

Characteristics

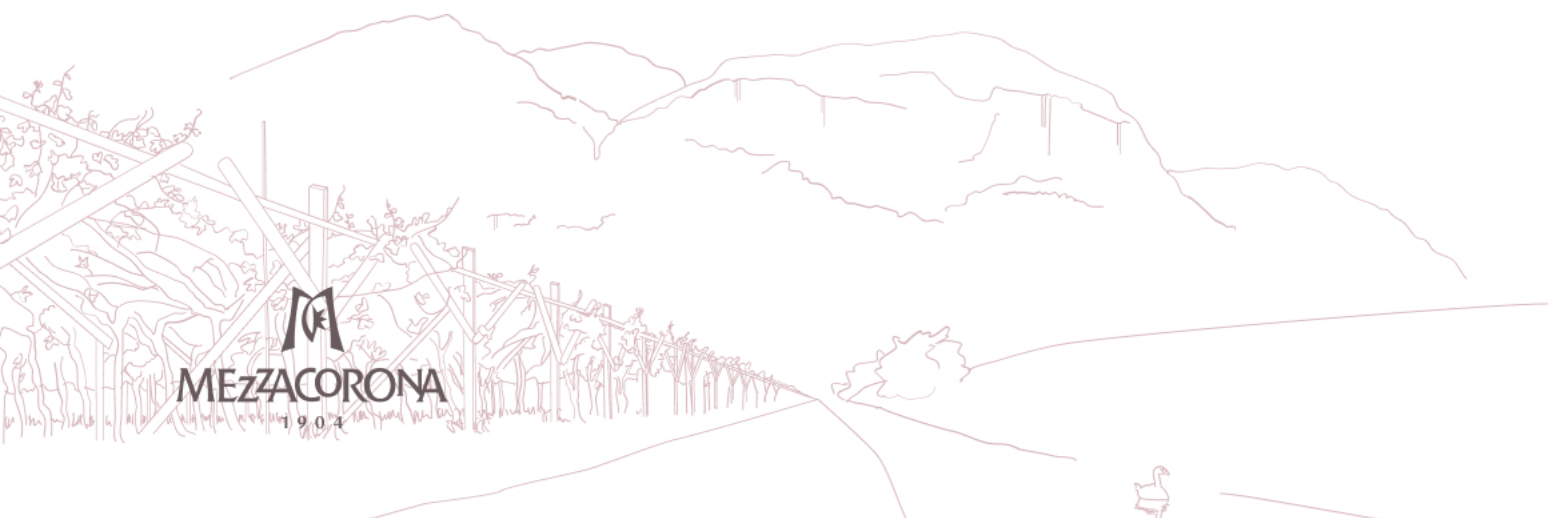

The nose expresses a very fresh and supple aromatic profile, characterized by aromas of red fruits as well as citrus notes of pink grapefruit and delicate floral notes. The palate offers a pleasant salinity and freshness with a lively and refreshing acidity which makes it ideal as an aperitif.

Alcohol content

12,5%

Serving temperature

50-54°F
